## The Cheese Chase is a cat play station

This cheeky little toy has a catnip filled, springy mouse that is fun to bat. The clear ball track provides challenge and fun for cats to chase the ball around. A second ball is hidden in the 'cheese topper' for even more excitement. Three activities and three times the fun!

Petstages available from pet stores RRP \$34.95

## Be a Pet (mess) Detective

Never a pleasant subject but help is at hand for those nasty pet messes that are seemingly impossible to find. With the help of these products, you'll be able to find and eliminate stinky odours and stop the cycle of pets 'marking' their territory. You'll feel like a CSI agent as you use the Black Light Clean'-even old stains, not visible to the naked eye, will fluoresce yellow, making clean-up more effective.

Urine-Off has also introduced a new Wipes package that contains 35 extra large wipes for even easier surface cleaning. Can be used on carpet, vinyl, hardwood, upholstered fabrics and even concrete.

Urine-Off Black Light Finder RRP \$33.00; Urine-Off Wipes RRP \$18.00; Odour & Stain Remover 550mls \$23.00 also comes in 5 & 10 litre containers

## Moneybox and Mug

These too cute mugs come stored in their matching metal moneyboxes. They're an ideal present for the pet lover in your life and are made by designer homewares manufacturer, Maxwell Williams. Store your loose change in these moneyboxes and when they're full, you'll have more than enough saved for a cup of coffee.

Maxwell Williams Money Box & Mug available large department stores and selected gift stores RRP \$9.95

## Chew-Chew (Chew2) is dog for yum yum

Biscuits made from organic, human grade ingredients aren't anything new in dog treat land, however these snacks were created to improve your dog's health. Free from preservatives and artificial colourings they're filled instead with natural flavourings including sesame seeds, carrots, parsley and pumpkin. Biscuits come in five flavours formulated to provide a broad range of nutritional support using whole food ingredients.

Available at selected boutique pet stores. 115g packet RRP \$8.00

The products featured in this section were chosen prior to general advertising being solicited from any potential product suppliers. Hence, the products reviewed were chosen without regard to advertising.

## Unleash the power of Pernaese Powder

As the cooler weather approaches, we're reminded that joints need a little help. This highly palatable powder contains freeze-dried extracts of green-lipped mussel, abalone and shark cartilage. It can be easily added to your dog's food or drink. The powder contains naturally occurring chondroitin, glucosamine, manganese and omega-3 essential fatty acids—all the good stuff that can assist in the relief of arthritic symptoms in dogs of all ages.

## Hear this, an ear cleaner that's all natural and herbal

Vet's All Natural products have a solution for grubby ears—Dr Bruce's Herbal Ear Clear. Best used for excess wax and mild external ear canal infections, this blend contains soothing aloe vera juice, sea mineral extracts and Tea Tree oil. From the same range is their Health Booster—an all natural source of multi vitamins, minerals, trace elements and anti-oxidants to promote better health in cats and dogs.

## Achieve a natural balance in your dog's diet

Dick Van Patten's Natural Balance has just released an ultra premium dog food here in Australia. This high quality contains premium quality meats (no by-products), brown rice, fresh carrots and potatoes, oatmeal and is fortified with taurine for cardiovascular health. It's formulated for all breeds at all life stages—from puppy through to our senior friends.

Contains no artificial preservatives, flavours, colours, or bleached ingredients. Does not contain corn, soy, wheat, eggs, dairy products or sunflower oil. Available in three sizes RRP \$23.50 for 2.27kg; \$60.00 for 7.7kg and \$100.00 for 15.9kg

## Defend her with Profender

All cat lovers know how hard it is to pop a pill or administer a squirt of worming medication to squirmy, wormy kitties. Finally there is an allwormer for cats that is a simple spot-on treatment.

Easy to apply, this stress-free treatment is a powerful, broad-spectrum de-wormer. Profender is the world's first spot-on intestinal wormer for cats. It contains two active ingredients—emodepside and praziquantel—which are quickly absorbed through the skin to give effective control of all gastrointestinal worms. It's safe for kittens from 8 weeks old, lactating and pregnant queens. Each application lasts three months.

## Knot like any other bird toy

Knotty Fun Bird toy will please curious beaks. This colourful toy features fabric streamers that are filled with crunchy sisal made for pulling and stripping for hours of fun. Other interesting elements include a tinkly bell and plastic ball filled with rattly beads. 'Pretty Bird' fabric, ribbon swatch affirms how gorgeous your feathered friend is. Petstages toys available through quality pet stores RRP \$14.95
