

Cove Cottage is ultra-spacious and perfect for sharing with friends and fur-kids. Each terrace is sturdily fenced, and a king-sized dog bed takes pride of place in the living room. Pierre, who's recently taken up flower-arrangement, ponders the lavender patch. I spot rosemary for our roast dinner.

Just a few minutes' saunter down the hill is a lovely off-lead beach and the Pambula River entrance. Onyx woes a sleek Dalmatian, we enjoy meeting friendly locals.

Next morning, we watch whales leaping out of the ocean as we sip our coffee in bed.

After endless hesitation, we prise ourselves from the magnetic views to explore the southern Sapphire Coast.

We take in nearby Merimbula, with its dog-friendly eateries, art galleries, boutiques, lakeside walks and leash-free beaches. At Bega, we're awed by stately agrarian architecture. At Candelo, we wonder if we've stumbled upon a film set.

But we're impatient to return to homely Cove Cottage and simply stare out to sea. Right on cue, the whales put on a riveting show just as we pour our wine. ^{UA}
